

The Hostess Restaurant is situated off the A60 three miles out of Mansfield. We are a privately owned family run restaurant and are well known for our freshly prepared home-made food.

The Hostess opens Wednesday through to Sunday with Mondays and Tuesdays reserved for private functions and conferences.

During the week we find our carvery satisfies even the largest of appetites but if you are looking for more than just a meal, why not try our Friday or Saturday evenings where after your meal, you can dance the night away to the Disco. Both nights are extremely popular, as are our Sunday lunches, so please check early for availability.

We also offer theme nights throughout the year, check out our website www.thehostess.co.uk or on Facebook - [TheHostessRestaurant](#) or follow us on Twitter - [@hostess_food](#).

Not only is the restaurant at your disposal but also the comfortable lounge, bar and garden area for your guests. Conferences and funeral buffets are other services we offer, more information on our website.

We have cloakroom facilities installed for the disabled and as we are all on one level, there is no problem for wheel chairs or people with walking difficulties.

Large private bookings are no problem, we can accommodate up to 180 people and we have an excellent choice of menus. Weddings are one of our specialities please check our website.

For more information on weddings, bookings or any other enquiry please do not hesitate to telephone on 01623 843728.
