

Balloon designs according to stock and supplier.

Let us make your event even more special with our table package.

The package comprises of a bunch of balloons, one with an appropriate foil to match the event and another two regular latex, all helium filled.

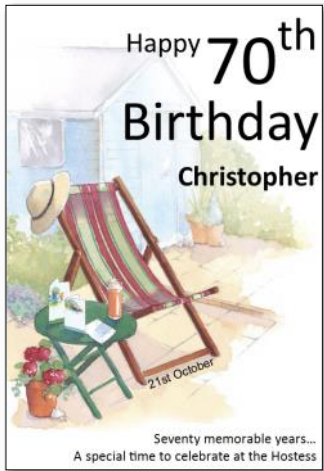

Additionally, we will add sprinkles to the table, match coloured napkins and make a personalised menu.

If you wish, you can even email us a jpeg photo for the front, making it totally unique.

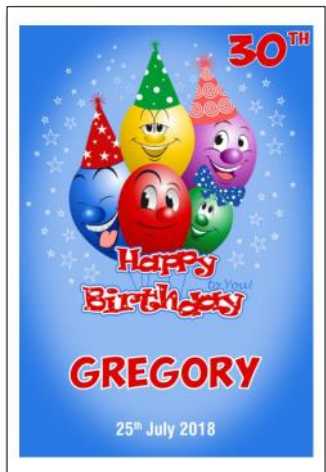

At only £14 per package (approx 16 people per table) it will really spruce up your table.
