STIRLING MURDER

MURDER MYSTERY EVENTS

DEADLY PROSE.

Examine the evidence, and ultimately guess the murderer to win a certificate and prize.

Deadly Prose, synopsis is below:

The annual Stirdale writers' retreat descends into chaos when acclaimed author Oliver Blackwood is found dead.

As Detective Amelia Hayes unravels a tangled web of rivalries and betrayals, every writer becomes a suspect.

In a deadly game where fiction mirrors reality, will she uncover the truth before another chapter ends in murder?

Our characters will be in role all evening and feel free to question them all night - Characters though, especially the murderer may not be entirely honest with their answers!

PS A notebook and pen might be handy, and bring your reading glasses!
