Examine the evidence, and ultimately guess the murderer to win a certificate and prize.

Fire & Fury, synopsis is below:

In the grim year of 1625, the Stirdale Witch Trials rage on - and tonight, Prudence Chastaine stands accused, her life hanging by a thread. With her parents, her best friend, and a packed courtroom watching, secrets unravel and tensions ignite.

Will mercy prevail in the face of fear, or will Prudence become the next victim in the flames of hysteria?

Our characters will be in role all evening and feel free to question them all night - Characters though, especially the murderer may not be entirely honest with their answers!

PS A notebook and pen might be handy, and bring your reading glasses!
