**LOVE'S DEADLY AFFAIR**

Examine the evidence, and ultimately guess the murderer to win a certificate and prize.

**Love's Deadly Affair**, synopsis is below:

When Victor Valentine is found dead at his extravagant Valentine's Day dinner, a night of romance turns into a chilling whodunit. Trapped in the opulent estate, the glamorous guests must unravel a web of secrets, lies, and betrayal to unmask the killer. With hidden motives and dangerous truths lurking, will they solve the mystery before someone else falls victim? To get the most from your evening, interrogate the characters, look at the evidence, be on your guard but most of all enjoy yourself!

Our characters will be in role all evening and feel free to question them all night - Characters though, especially the murderer may not be entirely honest with their answers!
