MURDER MYSTERY EVENTS

REUNION WITH DEATH

Examine the evidence, and ultimately guess the murderer to win a certificate and prize.

Reunion with Death, synopsis is below:

It's the 15-year reunion for the students of Stirdale Secondary, and excitement is in the air. The evening, meticulously arranged by former dinner lady Toni Evans, promises a night of nostalgia, rekindled friendships, and unexpected revelations.

Much has changed in the lives of these ex-students since their school days. Has Vincent turned his life around? Is Victoria still dating Mike? And what about the whispers of uninvited guests stirring up old tensions? As laughter fills the halls and memories resurface, hidden truths and long-buried secrets threaten to upend the evening. Will old flames rekindle or will unresolved conflicts ignite new drama? Prepare for an unforgettable night where anything can happen, and everyone has something to hide.

The Stirdale Secondary reunion is about to begin are you ready for the surprises in store?

To get the most from your evening, interrogate the characters, look at the evidence, be on your guard but most of all enjoy yourself!

Our characters will be in role all evening and feel free to question them all night - Characters though, especially the murderer may not be entirely honest with their answers!

PS A notebook and pen might be handy, and bring your reading glasses!
